

Control Traffic with Stop/Slow Bat Assessment Day

Who is This Course for?

This assessment program is designed for anyone working on the road performing **Traffic Control** duties, directing traffic with a stop/slow down bat or similar control device.

What Qualification will I receive?

The Assessment program includes current nationally recognised units of competency:

- RIIWHS201D – Work safely and follow WHS policies and procedures
- RIICOM201D – Communicate in the workplace
- RIIWHS205D – Control traffic with stop/slow bat

\$150*

What will I be assessed on?

Upon successful completion of the assessment day you will be able to demonstrate knowledge and skills to work as a work zone traffic controller.

Delivery Methods and Assessment

New Entrants Pathway:

New entrants with no prior experience in the industry will need to complete the following pathway of training and assessment.
Face-to-face learning, activities, simulated role plays and theory assessment
Practical on the job training and assessment at pre-determined worksites

Recertification / RPL:

Recertification / RPL candidates may be eligible to receive certification after successful review of evidence supplied. To be determined eligible the candidate must first meet criteria as set out by the training package and Roads and Maritime Services conditions. To confirm eligibility candidates should contact an Affirm Training representative for further advice.

Licensing:

To work as a Traffic Controller in NSW candidates will require a Roads and Maritime Services Photocard. In enrolling on this course you approve Affirm Training to submit on your behalf records of results to RMS to process your Photocard.

Applicable fees for this service are included in the course cost.

Replacement certificates will be at the cost of the student, Certificates - \$35 each.

Student Handbook

A Student Handbook is available that outlines all training and assessment requirements for the relevant units of competencies being undertaken in the traffic training program. The [Student Handbook](#) (Click Link) is available

Support Services

Affirm Training can provide a host of support services for participants who require additional assistance. Before enrolling please contact the Training Services Manager for further advice. Fees may apply for specialist support service. Further information on organisations that can assist in your learning needs can be found on the Affirm Training website, <http://www.acesecurity.com.au/training/>.

Complaints, Grievances and Appeals

Affirm Training has robust systems, policies and procedures in place to deal with complaints, grievances and appeals from participants and employers. Any issues should be directed to the Training Services Manager in writing at info@affirmtraining.com.au. The complainant will be contacted to determine the reason for complaint and maybe required to complete documentation to substantiate further details. The Training Services Manager will then investigate the matter and provide regular feedback of outcomes. Further information on the Complaints, Grievances and Appeals process can be found on the Affirm Training website, <http://www.acesecurity.com.au/training/>.

Refund Policy

Any students circumventing enrolment processes or failing to notify Affirm Training of their VISA conditions which may impact their ability to receive training will result in full or partial loss of enrolment fees. (Overseas Student VISAs may not enrol in this course).

All requests for a refunds must be made in writing to ACES Training Manager outlining the reasons for reimbursement.

All cancellations in writing more than 72 business hours prior to the commencement of the training program will be eligible for a full refund.

All rescheduling of courses more than 72 business hours prior to the training program can be done at no charge.

All written cancellations within 72 – 48 business hours will be entitled to a 50% refund. No refunds for less than 48 hours.

All rescheduling of courses within 72 business hours will incur a 50% administration fee.

Once a course has commenced fees are non-refundable unless the client states exceptional circumstances and can provide a medical certificate or show extreme personal hardship. In this case fees may be refunded but would be on a case by case basis minus an administrative fee of \$50.

If a client withdraws from a training program after commencement of the training program, no refunds will be paid.

If a client fails to attend the training program they have enrolled in, no refund of fees will be paid.

If a client is deemed 'not yet competent' after valid assessment methodologies have been applied, no refunds of fees will be paid.

If a client is deemed 'not yet competent' due to plagiarism, cheating or fraudulence, no refunds of fees will be paid.

If a client is deemed 'not yet competent' due to putting themselves, others, property, or the environment at risk after being provided corrective advice, no refunds of fees will be paid.

Where training and assessment maybe conducted outside, increment weather may result in courses being cancelled at short notice.

If a course is cancelled by Affirm Training an alternative course schedule will be negotiated with the client.

Affirm Training reserve the right to cancel any training program where safety of staff and students is jeopardised.

- NSW White Card or equivalent (Construction Card)
- Lunch / Water
- Sun Cream
- Valid Statement of Completions (must be current)

If you completed training from another organization please ensure you bring all of their paperwork.

Assessment Notes

If you feel you are not yet ready for assessment you should discuss this with an Affirm Training representative to coordinate further refresher training.
If you were trained by another organisation you must bring all your paperwork to be completed by an Affirm Training organisation. If you don't this will cause delays in the process and may mean you cannot work,

What to wear:

Traffic Control Training Assessment:

Students must wear long sleeve shirt, long pants, wide brim hat or hard hat and closed in shoes as worn in the Traffic Industry. Should you attend without protective clothing you maybe refused entry to the worksites for assessment.

Assessment Day Notes

The assessment day is treated as your induction into working conditions in the traffic and construction industry. You must maintain your own safety and comply with instructions from your Trainer / Assessors.

Students that fail to comply with the safety instructions may be sent home without refund. Use of mobile phones on worksites may cause you to receive a 'Not Yet Competent' grading and you will have to attend another training day at your cost.

Students that are deemed 'Not Yet Competent' maybe asked to return for further training / assessment sessions. Students that attend the assessment day do not automatically receive a pass mark, you must meet all conditions of the training package, performance criteria, required skills and knowledge to be deemed competent by the Assessor. Affirm Training suggest you refresh yourself with your learning guides to ensure you are ready and prepared for the training/assessment process to avoid disappointment.

Students must ensure all paperwork is completed and supplied to their training provider to complete the assessment process. Affirm Training accepts no responsibility for students that fail to comply with completing the necessary paperwork. Additional fees may be incurred for students that require further assistance after the training/assessment day through failure to comply with provided instructions. To ensure you are fully informed prior to enrolment you should refer to the ACES marketing, procedures and policies related to the course you are enrolling in located at www.acesecurity.com.au/training/

Further information relating to refunds, complaints, appeals and grievances is available from www.acesecurity.com.au/training/ Should you require assistance ACES / Affirm Training representatives are available by contacting 02 9699 7711. By accepting your Workplace training shift you agree to the terms and conditions of the Employee Training Policy (available upon, request attached this document and on the ACES Intranet).

For further information on course fees, refund policies, complaints and grievances please refer to our website.

Approved Clothing for Assessment Days

When attending an Assessment Day you are required to wear the appropriate safety clothing in line with working under construction site conditions.

All traffic clothing and boots can be easily purchased online, at safety shops or at your local markets for less than \$150 and is a requirement when working on any roads.

Should you arrive at the Assessment Day in inappropriate clothing then you maybe refused entry.

No refunds are offered to students that fail to read and comply with these conditions.
